INDIANA PARKS AND RECREATION FOUNDATION

PARKS | RECREATION | LEISURE

Mission Statement:

The Indiana Parks & Recreation Foundation exists to support IPRA and its members by funding education opportunities.

The Foundation administers the Scholarship Fund of the Indiana Park and Recreation Association to promote parks, recreation, and leisure services in the State of Indiana, through the following objectives:

- To foster and support research in the field of park and recreation
- To provide scholarships to students, and/or professionals supporting the field of park and recreation
- To seek ways to build, facilitate and collaborate with allied organizations

Each year IPRF hosts multiple fundraisers for the Scholarship Fund.

- Silent Auction during the IPRA conference
- Dollars for Scholars Golf Outing – May 15, 2018
- A Parks Family Night at the Indiana Pacers, Indy Fuel or Indy 11.
- NEW for 2018 – A Fall Family Fun event/concert at Federal Hill Commons in Noblesville – watch for additional details this Spring.

Funds raised allow us to:

- Fund scholarships for the children of IPRA members, and those studying to be parks professionals.
- Provide Professional Development Grants to IPRA members looking to further their career
- Provide scholarships to the IPRA conference to those who are new to the field or IPRA membership, and expand our outreach to new departments.
